TIIS
THE INSTITUTE
OF INTERNATIONAL
STUDIES

Skills for Today, Success for Tomorrow

The Institute of International Studies (TIIS) is a TEQSA-accredited Australian higher education provider (CRICOS Provider Code: 03705J), committed to career-focused learning that prepares students for success now and in the future. Since 2017, TIIS has delivered quality programs that combine academic knowledge with practical skills, equipping graduates with the knowledge needed to confidently enter the workforce.

TIIS programs are aligned with industry-relevant and accredited standards, supported by strong industry connections and applied learning approaches. With campuses in Sydney and Melbourne, TIIS offers small class sizes, personalised support, and a diverse international learning environment.

At TIIS, you don't just learn for today — you prepare for tomorrow.

TIIS
THE INSTITUTE
OF INTERNATIONAL
STUDIES

Message from Our CEO

Welcome to The Institute of International Studies (TIIS), a registered institution of higher education (Provider No: PRV14085, CRICOS Provider No: 03705J).

The programs offered at TIIS have been developed in response to the growing demand for professionally trained accounting, business and IT professionals.

They are designed to provide the skills and attributes that are needed to either start or further the career prospects of both international and domestic students.

TIIS takes great care to ensure that the learning will be a productive, fulfilling and a rewarding experience. TIIS will provide students with the assistance and guidance required to maximise the benefits of learning at TIIS.

Our academic staff are professionally qualified, experienced and passionate about their profession - a passion they will share with students.

I trust that students will enjoy their learning journey with TIIS.

Sincerely,

Anand Karuppiah
Chief Executive Officer

Our Story

Established in 2015, The Institute of International Studies (TIIS) embarked on a visionary journey driven by our significant shareholders to create a unique educational platform.

• 2017

TIIS achieved accreditation from the Australian Government's Tertiary Education Quality and Standards Agency (TEQSA), reinforcing our commitment to world-class education.

• 2018

Our Master of Professional Accounting program gained accreditation from CPA Australia, CAANZ, and ACCA, positioning our graduates for global success.

• 2022

Launched the Bachelor of Business (BBus) and Master of Business Administration (MBA) programs, designed to equip students with essential business and leadership skills.

• 2023

Introduced the Bachelor of Information Technology in November, preparing students for the evolving IT landscape.

Celebrated the first graduating class at our Sydney Campus, marking a significant milestone in our academic journey.

• 2024

We launched the Graduate Certificate of Information Technology and Master of Cyber Security programs, addressing the industry's demand for IT and cybersecurity professionals.

In May, we introduced the Graduate Diploma of Financial Planning, our first course for domestic students and a fully online offering.

In July, we officially opened the TIIS Melbourne Campus, expanding our reach to support more students across Australia.

THE INSTITUTE
OF INTERNATIONAL
STUDIES

MISSION VISION

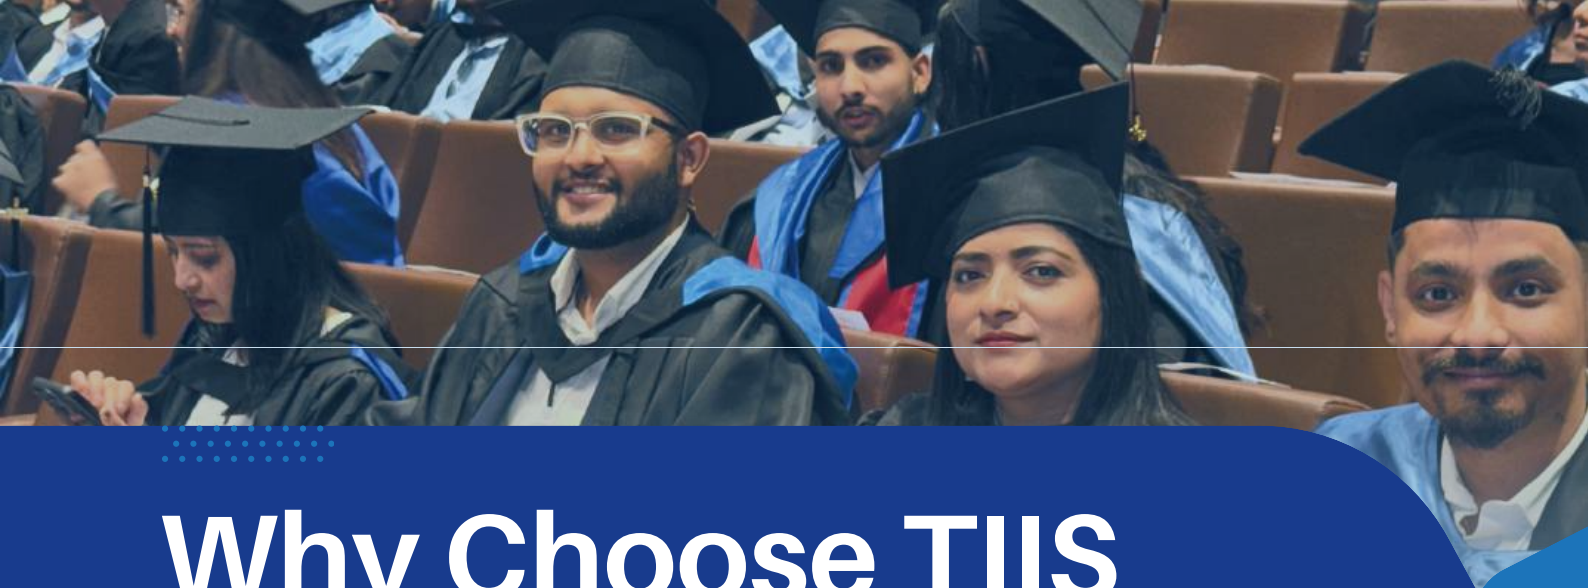

Mission

TIIS's mission is to provide high-quality, practical, and future-focused higher education to local and international students. We support student development by offering industry-relevant courses, small classes with personalized guidance, and a multicultural learning environment.

Emphasizing practical skills and employability through internships and industry partnerships, TIIS upholds the philosophy “For Today, For Tomorrow”, preparing students to thrive in a rapidly changing world.

Vision

TIIS aspires to be a globally recognized higher education institution, empowering students to grow and excel today while preparing them for a future full of opportunities. We aim to build a diverse, inclusive, and vibrant international learning community that cultivates professionals with global vision, innovation, and social responsibility.

Why Choose TIIS

Career-Focused Courses

TIIS courses are designed to develop practical skills and knowledge aligned with industry-relevant and accredited standards.

High Value for Money

TIIS offers internationally recognised Australian degrees with more accessible tuition compared to many universities, while maintaining academic quality recognised worldwide.

Industry-Experienced Lecturers

Students learn from lecturers with strong industry backgrounds who bring real-world expertise into the classroom.

Supportive Learning Environment

TIIS offers small class settings, ensuring personalised attention and improved learning outcomes.

Flexible Study and Payment Options

TIIS follows a block model with six intakes each year, allowing students to plan their studies flexibly while managing payments with greater ease.

Modern Learning Facilities

TIIS provides modern classrooms, well-equipped computer labs, and access to library and digital learning centres to support effective and engaging study.

Strong Student Support

TIIS provides comprehensive academic and student support to help learners succeed throughout their studies.

Sydney Campus

The TIIS Sydney campus is located in Ultimo, one of Sydney's key education hubs, offering students a highly connected and vibrant study environment. The campus is within walking distance of Central Station and close to shops, cafés, and student accommodation, making daily life convenient and accessible. Spanning three storeys, the campus features modern learning spaces and includes an on-site café within the building.

Melbourne Campus

The TIIS Melbourne campus is located in Docklands, offering students a modern learning environment complemented by scenic waterfront views. Set within a vibrant and evolving precinct, the campus provides a calm yet connected atmosphere that supports focused study and student wellbeing. With convenient access to trams, trains, and buses, students can easily travel to the Melbourne CBD, nearby neighbourhoods, and key lifestyle destinations, making campus life both accessible and enjoyable.

Student Activities

Leadership Programs

Student Ambassador Program (SAP)

The TIIS Student Ambassador Program (SAP) is an extra-curricular initiative open to both domestic and international students. It provides opportunities to represent TIIS at events, support new students, and contribute to the wider community.

Student Representative Council (SRC)

The TIIS Student Representative Council (SRC) is a student-led body that gives learners an active voice in shaping campus life. It creates opportunities to participate in decision-making, represent fellow students, and organise initiatives that support the TIIS community.

Student Engagement Activities

Academic Activities

To support student learning, TIIS offers peer-to-peer tutorials where students can receive guidance from fellow classmates. This initiative helps students strengthen their academic skills, build confidence, and foster collaboration within the student community.

Cultural Activities

At TIIS, we recognise the importance of creating a welcoming and inclusive environment for all students. We celebrate different cultural activities throughout the year to ensure students feel valued, respected, and connected to the wider TIIS community.

Wellbeing Activities

TIIS promotes student wellbeing through activities that encourage connection, awareness, and support. During events like R U OK Day, we highlight the importance of checking in with one another and fostering an environment where students feel safe, heard, and supported.

Student Testimonials

Since there are many international students at TIIS, it has made my journey more comfortable. Discovering new things and learning from different cultures every day has been a comforting experience at TIIS.

– **Apsara**

At TIIS, everything feels more personal. The smaller classes mean I can ask questions, get feedback, and have real conversations with my lecturers and classmates. It makes studying so much more engaging.

– **Davin**

I began at TIIS in March, and I've liked the institute and the lecturers. It's not book-based; it's practice-based. I appreciate the interactive sessions with the lecturer. I also like the diverse community at TIIS, with different cultures and languages.

– **Anne**

I received a lot of encouragement from the staff. There were excellent tutors who consistently motivated me. As a result, I gained valuable experience here and acquired good skills.

– **Gurwinder**

Our Courses

TIIS offers a range of undergraduate and postgraduate courses designed to support academic growth and career development. Our programs combine academic foundations with practical learning to equip students with relevant skills for today's evolving job market.

Business

- **Bachelor of Business (BBus)**
Specialisations: Management, Marketing, Accounting
- **Graduate Certificate in Business Administration (GCBA)**
- **Master of Business Administration (MBA)**
Specialisations: Marketing & Entrepreneurship, Global Business

Accounting*

- **Graduate Certificate in Professional Accounting (GCPA)**
- **Master of Professional Accounting (Advanced) (MPAA)**

Information Technology

- **Bachelor of Information Technology (BIT)**
Specialisations: Cyber Security, Web & Mobile Applications Development
- **Graduate Certificate of Information Technology (GCIT)**
- **Master of Cyber Security (MCS)**

Financial Planning**

- **Graduate Diploma of Financial Planning (GDFP)**
For more information, visit: www.tiis.edu.au/gdfp

*Accounting programs are currently offered at the Sydney campus only. All other programs are available at both Sydney and Melbourne campuses.

**The Graduate Diploma of Financial Planning (GDFP) is available to domestic students only (Australian citizens and permanent residents).

Bachelor of Business (BBus)

CRICOS Course Code: 107616A

🕒 Course Duration: 3 years

📖 Number of Subjects: 24

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

The Bachelor of Business (BBus) is a three-year undergraduate program comprising 24 subjects, delivered over six study blocks per year. The structure includes a set of core business subjects, with the flexibility to pursue a specialisation or follow a generalist pathway by selecting from a wide range of electives.

Students may choose to specialise in Management, Marketing, or Accounting, or complete the program without a specialisation.

Study Pathways

Management Specialisation

Students who wish to pursue a specialisation in Management must complete:

- 8 Core Business Subjects
- 8 Management Specialisation Subjects
- 8 Elective Subjects (from other streams or the elective bank)

Marketing Specialisation

Students who wish to pursue a specialisation in Marketing must complete:

- 8 Core Business Subjects
- 8 Marketing Specialisation Subjects
- 8 Elective Subjects (from other streams or the elective bank)

Accounting Specialisation*

Students who choose the Accounting stream must complete:

- 8 Core Business Subjects
- 8 Accounting Specialisation Subjects
- 8 Management Subjects

No Specialisation

Students who prefer a generalist degree may opt not to specialise. They must complete:

- 8 Core Business Subjects
- 16 Elective Subjects (drawn from any stream or elective bank)

*Note: Accounting specialisation pathway leads to the award of the Bachelor of Business (Accounting), which is accredited by CPA Australia, CAANZ and ACCA, and offers a direct pathway to professional certification and employment

Bachelor of Business (BBus)

Subject Breakdown

Core Business Subjects

UNIT CODE	UNIT NAME	CREDIT PTS.
BB101	Management and Leadership Principles	6
BB102	Business Communication	6
BB103	Principles of Accounting	6
BB104	Economics for Business	6
BB105	Marketing Foundations	6
BB107	Business Information Systems	6
BB108	Business Statistics and Research	6
BB203	Business Law	6

Management Specialisation

UNIT CODE	UNIT NAME	CREDIT PTS.

Graduate Certificate in Business Administration (GCBA)

CRICOS Course Code: 107618K

🕒 Course Duration: 16 weeks

📖 Number of Subjects: 4

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

The subjects and sequence for the Graduate Certificate in Business Administration are outlined below. Students will complete 4 compulsory core subjects, each of 6 credit points in value.

UNIT CODE	UNIT NAME	CREDIT PTS.
MBA601	Accounting for Managers	6
MBA602	Marketing Management	6
MPA503	Economics for Business	6
MBA603	Management, Leadership and Ethics	6

Master of Business Administration (MBA)

CRICOS Course Code:107617M

🕒 Course Duration: 2 years

📖 Number of Subjects: 16

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

Students will complete 13 compulsory core subjects. For those students taking a specialisation, Business Capstone Project (MBA 609) will be directly linked to their specialist area; in effect provide a four-subject specialist sequence.

GCBA

UNIT CODE	UNIT NAME	CREDIT PTS.
MBA601	Accounting for Managers	6
MBA602	Marketing Management	6
MPA503	Economics for Business	6
MBA603	Management, Leadership and Ethics	6
MBA604	Business Information Systems	6
MBA605	Human Resource Management	6
MPA502	Business and Company Law	6
MPA504	Business Finance	6
MBA606	Business Intelligence (Data Analytics)	6
MBA607	Strategic Business Management	6
MBA608	Innovation and Entrepreneurship	6
MPA508	Business Statistics and Research	6
MBA609	Business Capstone Project	6

Master of Business Administration (MBA)

Electives

Students will be required to complete 3 electives. Students may choose any 3 subjects from the elective bank (free electives) or group them within specialist streams. It should be noted that specialist streams will NOT be formally recognised on the testamur as part of the award title.

Marketing & Entrepreneurship Stream

UNIT CODE	UNIT NAME	CREDIT PTS.
MBA610	Digital Marketing	6
MBA611	International Marketing Management	6
MBA612	Enterprise Design and Value Creation	6

Global Business Stream

UNIT CODE	UNIT NAME	CREDIT PTS.
MBA613	Global Business Management	6
MBA614	International HR & Workforce Management	6
MBA615	International Business Strategy	6

Students who do not meet the entry requirements for the Master's program have the option to begin with the Graduate Certificate in Business Administration (GCBA), CRICOS code: 107618K. The subjects in this certificate are aligned with the initial blocks of the MBA program.

Graduate Certificate in Professional Accounting (GCPA)

CRICOS Course Code: 097841A

🕒 Course Duration: 16 weeks

📖 Number of Subjects: 4

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

It is a four unit, two-block award, nested within the MPAA.

UNIT CODE	UNIT NAME	CREDIT PTS.
MPA501	Accounting Principles	6
MPA502	Business and Company Law	6
MPA503	Economics for Business	6
MPA504	Business Finance	6

Master of Professional Accounting Advanced (MPAA)

CRICOS Course Code: 102564D

🕒 Course Duration: 2 years

📖 Number of Subjects: 16

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

Master of Professional Accounting Advanced (MPAA) consists of 16 prescribed units of study (without any electives).

GCPA

UNIT CODE	UNIT NAME	CREDIT PTS.
MPA501	Accounting Principles	6
MPA502	Business and Company Law	6
MPA503	Economics for Business	6
MPA504	Business Finance	6
MPA505	Corporate Accounting	6
MPA506	Accounting Information Systems	6
MPA507	Management Accounting	6
MPA508	Business Statistics and Research	6
MPA509	Contemporary Accounting Theory: Research & Practice	6

MPA512	Management and Leadership	6
MPAA601	Strategic Business Leadership	6
MPAA602	Strategic Business Reporting	6
MPAA603	Advanced Performance Management	6
MPAA604	Advanced Audit and Assurance	6

Students who do not meet the requirements for Master's have an option to start with Graduate Certificate in Professional Accounting (GCPA), CRICOS number: 097841A. The subjects have been aligned with the initial blocks of the MPAA.

Bachelor of Information Technology (BIT)

CRICOS Course Code: 113724B

🕒 Course Duration: 3 years

📖 Number of Subjects: 24

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

Students will complete 17 compulsory core subjects, each of 6 credit points in value.

UNIT CODE	UNIT NAME	CREDIT PTS.
BB102	Business Communication	6
BIT102	Programming Fundamentals	6
BIT103	Network Essentials	6
BIT104	Web Systems Development	6
BIT105	Database Management Systems	6
BIT106	ICT Project Management	6
BIT107	Introduction to Information Technology	6
BB107	Business Information Systems	6
BIT201	Cloud Computing	6
BIT202	Data Structures and Algorithms	6
BIT203	Software Design & Development	6
BIT204	IT Profession and Ethics	6
BB201	Business Intelligence and Data Analytics	6
BB204	Design Thinking and Digital Technology	6

Bachelor of Information Technology (BIT)

Specialisation Streams

Students will be required to select 7 elective subjects from the 2 specialisation streams:

- Cyber Security
- Web and Mobile Application Development

Cyber Security

UNIT CODE	UNIT NAME	CREDIT PTS.
BCS201	Cyber Security Essentials	6
BCS202	Human Factors in Cyber Security	6
BCS301	Network Server and Administration	6
BCS302	Cryptography	6
BCS303	Computer Forensics	6
BCS304	Cyber Law and Policy	6
BCS305	Network Security	6

Web and Mobile Application Development

UNIT CODE	UNIT NAME	CREDIT PTS.
BMW201	Object Oriented Programming	6
BMW202	Web Application and Server Management	6
BMW301	Mobile Application Development	6
BMW302	Big Data and Analytics	6
BMW303	Advanced Web Application Development	6
BMW304	ICT Business Analytics and Data Visualization	6
BMW305	Cloud Application Development	6

Graduate Certificate of Information Technology (GCIT)

CRICOS Course Code: 115212K

🕒 Course Duration: 16 weeks

📖 Number of Subjects: 4

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

The course has four subjects. To graduate with a GCIT, students must complete 24 credit points.

UNIT CODE	UNIT NAME	CREDIT PTS.
MCS501	Programming Principles	6
MCS502	Introduction to Network and Cyber Security	6
MCS503	Web and Database Systems	6
MCS504	Software Development Methodologies	6

Master of Cyber Security (MCS)

CRICOS Course Code:115211M

🕒 Course Duration: 2 years

📖 Number of Subjects: 16

📅 Intakes: Jan, Mar, May, Jul, Sep, Nov

Program

The Master of Cyber Security consists of 16 subjects (96 credit points), structured into five sections:

Section 1: Information Technology Foundation Subjects

Students must complete all 4 subjects in this section.

UNIT CODE	UNIT NAME	CREDIT PTS.
MCS501	Programming Principles	6
MCS502	Introduction to Network and Cyber Security	6
MCS503	Web and Database Systems	6
MCS504	Software Development Methodologies	6

Section 2: Cyber Security Core Subjects

Students must complete all 6 subjects in this section.

UNIT CODE	UNIT NAME	CREDIT PTS.
MCS601	Cyber Security Risk Management, Governance and Regulation	6
MCS602	Human Factors in Cyber Security	6
MCS603	Secure Software Development	6
MCS604	Cyber Security Incident Management	6
MCS606	Threat Modelling	6
MCS608	Security Engineering	6

Master of Cyber Security (MCS)

Section 3: Business Administration Electives

Students must select and complete 3 subjects from the list below.

UNIT CODE	UNIT NAME	CREDIT PTS.
MBA603	Management, Leadership and Ethics	6
MBA607	Strategic Business Management	6
MBA608	Innovation and Entrepreneurship	6
MBA612	Enterprise Design and Value Creation	6

Section 4: Cyber Security Electives

Students must select and complete 2 subjects from the list below.

UNIT CODE	UNIT NAME	CREDIT PTS.
MCS605	Malware and Attack Technologies	6
MCS607	Authentication, Authorisation & Accountability	6
MCS611	Digital Forensics	6
MCS612	Ethical Hacking	6

Section 5: Capstone

UNIT CODE	UNIT NAME	CREDIT PTS.
MCS610	Cyber Security Project	6

Students who do not meet the entry requirements for the MCS program may have the option to commence with the Graduate Certificate of Information Technology (GCIT), CRICOS Code: 115212K. The subjects have been aligned with the first four subjects of the MCS.

Admission Criteria

General Entry Requirements

Postgraduate Programs	<p>General entry requirements for Master's Programs:</p> <ul style="list-style-type: none"> • Completion of an undergraduate degree from a recognised Australian institution (or equivalent overseas institution); or • Completion of a relevant graduate certificate or diploma from a recognised Australian institution (or equivalent overseas institution).
	<p>General entry requirements for Graduate Certificate Programs:</p> <ul style="list-style-type: none"> • Completion of an undergraduate degree from a recognised Australian institution (or equivalent overseas institution); or • TAFE (or equivalent institution) Diploma or Advanced Diploma in a related field and three years relevant work experience in the past five years.
Undergraduate Programs	<ul style="list-style-type: none"> • Completion of the NSW Higher School Certificate (or equivalent) achieving an ATAR of at least 50 (or equivalent) for BBus and at least 60 (or equivalent) for BIT within the past two years; or • Completion of an AQF 5 Diploma level program from TAFE (or equivalent) or any Australian Registered Training Organisation (or equivalent overseas organisation); or • Completion of at least one semester of full-time study (or part-time equivalent) at a registered Australian higher education provider at AQF Level 5 Diploma or higher; or • Completion of a bridging or enabling course from a qualified Australian provider (or equivalent overseas provider) and achieved at least 50% of the maximum mark attainable.

All overseas qualifications must be deemed to be equivalent to the pre-requisite Australian qualification. Evaluation of overseas qualification equivalence will be determined by reference to the International Education Network - Department of Education, Skills and Employment -Country Education Profile source.

Admission Criteria

Additional Entry Requirements

In addition to the general admission requirements stipulated above, courses may specify additional requirements that applicants must meet, so as to demonstrate their capacity for success in the course. These may include, but are not limited to:

- Higher entry qualification benchmark scores;
- Specific supporting studies within their undergraduate program;
- Attendance at interviews;
- Relevant work experience;
- Presentation of folios; and/or
- Submission of supplementary information forms.

Additional requirements will be published in TIIS's Student Handbook and on the website for the information of people seeking enrolment.

Special / Alternative Admission Arrangements

Applicants who have not completed the required entry qualification may be eligible to apply for entry to a course by satisfying one of the following entry requirements:

- Successful completion of a Special Tertiary Admissions Test (STAT) administered by a tertiary admissions centre; or
- Submission of a portfolio of evidence of prior and current academic & professional work experience in a program related field; or
- Applying for credit that meets the requirements of the Policy and Procedures - Credit for Prior Learning.

Applicants applying under special admission categories 6a. and 6b. will be required to attend an interview with the Program Coordinator and Dean to assess the applicant's capacity for successful study of the appropriate program. The applicant should submit a portfolio of prior and current academic and professional work experience with their application for Special/Alternative admission. The portfolio must include a detailed resume outlining relevant competencies and achievements during their program-related employment. Program-related employment must be of a minimum period of three years in the last five years and be evidenced by employer issued documents such as employment references, employment separation certificate or wage documents. Off-shore international students will need to be available for telephone interviews.

Note: Categories 6a and 6b are outlined in the [Student Selection and Admissions Policy](#), available on the TIIS website.

Admission Criteria

The following table (Admission Criteria) outlines the criteria to be applied by the Program Coordinator and Dean when selecting applicants to a course under special/alternative admission arrangements. These include the applicant's:

- Capacity to successfully pursue tertiary studies;
- Motivation to pursue tertiary studies in the discipline of the chosen course;
- Demonstrated potential for academic studies based on the applicant's portfolio;
- Relevant professional and industry experience.

ADMISSION CRITERIA - Special entry Portfolio indicative criteria

Applicants who do not meet entry requirements may gain entry to a course by provision of a portfolio and interview with the Program Co-ordinator and Dean. The material submitted in the Portfolio should address the following criteria:

Criterion	Indicative Evidence
The capacity to successfully pursue tertiary studies	Transcripts, including grades, of complete and incomplete formal studies
Motivation to pursue tertiary studies in the discipline of the chosen course	Professional development activities undertaken; certifications; professional references
Demonstrated potential for academic studies	Transcripts, including grades, of complete and incomplete formal studies
Relevant professional and industry experience	CV detailing work experience, skills and knowledge developed, and responsibilities carried; professional references

English Proficiency

International students whose first language is not English must demonstrate competency in the English language. English proficiency can be demonstrated by providing evidence of an International English Language Testing System (IELTS) overall test result (or equivalent alternative test result - such as TOEFL (Test of English as a Foreign Language) or PTE (Pearson Tests of English) - as defined by regulation) that meets the specified level of English proficiency required for the course.

Admission Criteria

English requirements:

Courses	IELTS Overall	Minimum Band (IELTS)	PTE Overall	Minimum Score (PTE)
Undergraduate Programs	6.0	No band below 5.5	50	No score lower than 42
Graduate Certificate & Graduate Diploma Programs	6.0	No band below 6.0	50	No score lower than 50
Master's Programs	6.5	No band below 6.0	58	No score lower than 50

There is some flexibility in these hurdles (e.g., if one band is slightly below the hurdle and another is far above, the reviewer should try to be compassionate. In addition, if one band is slightly below the hurdle, prescribed ELICOS studies can be used to bridge the gap, however, some deficiencies are too broad to be bridged with ELICOS.

Other acceptable evidence of English proficiency includes but may not be limited to:

1. Completion of an undergraduate degree via the medium of English; or
2. Completion of Year 12 secondary schooling in Australia with a pass in General English within the last two years

International students who do not meet the specified English proficiency requirements may undertake an ELICOS (English Language Intensive Courses for Overseas Students) program prior to undertaking the course.

HOW TO APPLY

- 01 Gather Documentation**

Begin your journey by gathering all the necessary documents as per TIIS entry requirements.
- 02 Application Submission**

Complete our application forms and send them to TIIS via email.
- 03 Approval Process**

If you meet our requirements, TIIS will issue a Letter of Offer.
- 04 Fee Payment**

Secure your place by paying your tuition fees. Upon payment, you'll receive a Confirmation of Enrolment (COE).
